EXPERIENCE

Search Engine Marketing Team Lead & Key Account Manager - Bizscope Digital

November 2022 – Present

- Led SEO strategy across 30+ client accounts in e-commerce, local services, and B2B, achieving top-10 rankings for 90% of targeted keywords within 5 months across multiple campaigns.
- Directed a team of SEO specialists - setting KPIs, reviewing deliverables, and running weekly performance sessions - to ensure consistent delivery against client growth targets.
- Developed E-E-A-T-focused content strategies that earned multiple brand references in Google AI Overviews, expanding organic visibility well beyond traditional SERP rankings.
- Executed technical SEO audits covering crawlability, Core Web Vitals, mobile optimisation, and schema markup, resolving critical indexation blockers across client sites.
- Managed Google Ads campaigns for several national and international clients, lowering the avg. CPC, getting quality leads and making the campaign profitable.

- Delivered Google Business Profile optimisation and local SEO campaigns achieving Google Maps 3-pack rankings for multiple clients across Bangladesh, Australia (Adelaide) and United States (Berkshire County).
- Produced monthly performance reports and strategic roadmaps for key accounts, maintaining strong client retention through transparent, data-driven communication.

Digital Marketing Executive - Britainn Digital

September 2021 – October 2022

- Managed social media content calendars and paid campaign scheduling for 5+ clients, building consistent publishing cadences that grew platform engagement across accounts.
- Set up and manage paid media campaigns across Google Search, Display, and social platforms to support client acquisition goals in competitive retail and services markets.
- Analysed Google Analytics and platform-level reporting to surface performance trends, preparing weekly insight summaries that informed team strategy and client communication.
- Conducted audience research and competitor analysis to refine targeting and messaging, contributing to measurable improvements in engagement and conversion performance.
